

# 2025 WHA Corporate Membership

Increase your visibility with Wisconsin's top health care leaders, stay up to date on health care issues, and stay in tune with the needs of your health care clients and colleagues by becoming a WHA Corporate Member.

The WHA Corporate Membership program is designed to provide vendor organizations with year-long exposure and interaction with key decision-makers of member hospitals. Any for-profit business or other organization that conducts significant activity with the Wisconsin hospital community is eligible to apply for WHA corporate membership.

**To complete the application, you will need:**

1. One main contact's information including name, title and email (will be listed in the online directory).
2. A brief statement (150 words max.) explaining principle function/purpose of your organization and its relationship to Wisconsin's health care industry. This information will be used as part of your company's listing in the WHA online directory, as well as the printed *Business Connection*.

**Important points to note about your WHA Corporate Membership:**

- A corporate membership is valid from January 1 through December 31.
- Annual renewal is required.
- An organization must be a current WHA Corporate Member in order to attend WHA events and take advantage of exhibiting and sponsorship opportunities throughout the calendar year.
- WHA does not offer exhibiting or sponsorship opportunities outside of corporate membership.
- Exhibit space at WHA events is limited.

For *new* corporate membership, please complete the [online application](#)

**A corporate membership application or renewal must be submitted to WHA by December 31, 2024 to be included in the printed 2025 WHA Business Connection.**
