

Substance Use Disorders Management Boot Camp

Please join us for a Substance Use Disorders Management Boot Camp training this fall in beautiful Door County, Wisconsin! This training aims to enhance confidence and competencies related to the management of substance use disorders in general medical settings.

Through case-based and interactive didactic content, the workshop will explore issues related to assessment, monitoring, prevention, and management in the setting of unhealthy substance use.

Who: Intended for clinicians in primary care settings who wish to expand knowledge related to the medical management of opioid and alcohol use disorders.

When: September 19 & 20, 2024

Where: The Stone Harbor Resort and Conference Center
107 North First Ave, Sturgeon Bay, WI
