

RHeSUS Office Hours

Office hours are available as a forum for providers to discuss issues related to the management of patients with substance use disorders in the general medical setting. Dr. Randy Brown will be available to provide clinical support on questions such as managing patients with with at-risk alcohol use and use disorder, prescription controlled substance issues, OUD/SUD management, and more. Questions can be on broader management topics or specific to a patient in your care.

Target Audience:

Providers managing care in inpatient and outpatient settings.

Details:

Every third Tuesday of the month from 12 - 1 p.m.

October 17, 2022 through September 18, 2023
