Subject: CheckPoint Alert - 2022 Data Update Calendar Published

Good morning,

The 2022 CheckPoint Data Update calendar has been published to CheckPoint and can be found under **Hospital Login** (it is not necessary to actually log-in) > **Resources** > **For Hospitals** > **CheckPoint Update Calendar**. I have also attached a copy to this email.

Please keep in mind that we have tentative release dates for CMS measures, as their release dates are unknown.

As always, do not hesitate to contact me if you ever have any CheckPoint questions or if you no longer wish to receive CheckPoint Alerts.

Best regards,

Alistair
