Subject: CheckPoint: Preview for HCAHPS Now Available

Hi,

A CheckPoint Preview Report is now available for Patient Experience (HCAHPS) for report period 7/1/2021-6/30/2022 for 2022Q3 period and will be released to the public reports on **5/17/2023**.

You may view the Preview Report by clicking on the **Hospital Login** option on the orange menu bar, signing-in, then clicking **Preview Report**, selecting a hospital. You can either click [See All Measures](#) and scroll to the appropriate measure family or open a single family by clicking its name.

Please contact me if you identify an error, see unexpected results, or are unsure why a special case code (e.g. "DNR" or "IP") is reported in the **Public Result** and **Public Stars** columns.

Thank you,

Amber Hollerich, HITCM-PP
