Subject: WHA QUALITY ALERT: Hospital Star Ratings

AHA put out an email bulletin this afternoon regarding the star rating updates:

CMS updates overall hospital star ratings. The Centers for Medicare & Medicaid Services today updated the overall hospital quality star ratings at Care Compare. This year, these ratings are calculated using a revised methodology finalized in the calendar year 2021 outpatient prospective payment system final rule.

You can find additional information here: <https://data.cms.gov/provider-data/topics/hospitals/overall-hospital-quality-star-rating>

Thanks,
Nadine
