Subject: [External][SEND SECURE]WI Medicaid PPR MY 2021 Q4 Reports Posted to ForwardHealth Portal

[This email is sent blind copy to the Wisconsin Medicaid hospital financial and quality staff email distribution lists]

The Calendar Year 2021 Quarter Four PPR working data reports are now available on the ForwardHealth portal. Please note, the PPR experience indicated on these reports likely will change as additional claims are submitted to ForwardHealth for payment. As indicated in the MY 2021 P4P guide, the final PPR results for MY 2021 will be based on data available in June 2022 to better account for claim runoff.

If you do not have access to the ForwardHealth portal, please contact your local hospital portal administrator. If you do not know who that is or if you are having issues with the portal, please contact the portal help desk at 866-908-1363. If you have questions on the content of the reports, please contact Alicia Cheversia at alicia.cheversia@dhs.wisconsin.gov.

Thank you,

Alicia Cheversia
