

WHA Quality and Patient Safety Awards

The Wisconsin Hospital Association Quality and Patient Safety Team aims to advance health care quality by supporting hospitals to take positive strides toward excellence. The WHA Quality and Patient Safety Awards program recognizes hospitals that advance and improve patient outcomes in Wisconsin.

ELIGIBILITY

- Hospital must be a Wisconsin Hospital Association member.
- Only one application may be submitted per award per hospital. (Hospitals are eligible to apply for both awards and can be awarded both.)
- Previous award winners and applicants may apply each year.

1. Excellence in Health Care Quality and Patient Safety Award

Recognizing hospitals taking innovative steps to improve quality, patient safety and patient outcomes.

Awards will be given to three hospitals based on bed size:

- 1 to 25 beds (CAH)
- 26 to 99 beds
- 100+ beds

2. Hospital Mentorship and Quality Champion Award

Recognizing hospitals for demonstrating mentoring relationships and engagement through active participation, collaboration and the sharing of tools and resources with other hospitals.

One hospital will receive this award.
