

## Seeking Nominations for the 2022 Global Vision Community Partnership Award

The WHA Foundation is seeking nominations for its 2022 Global Vision Community Partnership Award. Established in 1993, the award provides recognition, financial support and public awareness of a community health initiative or project, created in partnership with a WHA member, that successfully addresses a documented community health need. Partnerships must reach across the community or population served, and the program must be an active ongoing enterprise at the time of nomination.
