See full contributor list

The Wisconsin Hospitals State PAC & Conduit continues its strong fundraising campaign with a total of \$278,205 contributed to-date by 192 individuals. That is 82% of its goal of raising \$340,000 and 61% of its goal of 315 individual contributors in 2022. There are 17 first-time contributors so far in 2022, with contributions ranging from \$100 - \$3,000.

See the 2022 contributor list to date below.

"The 2022 campaign is making great progress so far this year, but we need everyone's participation to reach these aggressive goals," said WHA President & CEO Eric Borgerding. "Your personal contribution of \$100, \$1,000 or more through the Wisconsin Hospitals State PAC & Conduit will make an impact in supporting candidates for state office who support Wisconsin hospitals," Borgerding added.

The Wisconsin Hospitals State PAC & Conduit works to support candidates for state office who value hospitals and health systems. Contributors to the Wisconsin Hospitals PAC & Conduit is comprised of people across Wisconsin who care about the hospitals in their own communities. Hospital employees, community leaders, members of hospital boards, and all members of the health care profession are encouraged to participate in Wisconsin Hospitals PAC & Conduit.
