

## Wisconsin Hospitals State PAC & Conduit Heads into the Final Quarter

### See full contributor list

The Wisconsin Hospitals State PAC & Conduit heads into the final quarter of its annual fundraising campaign with a total of \$335,383 contributed to date by 242 individuals. That is 99% of its goal of raising \$340,000 and 77% of its goal of 315 individual contributors in 2022.

The latest 2022 contributor list is below so you can see who made the list.

"The Wisconsin Hospitals State PAC & Conduit has almost reached its 2022 fundraising goal, and with three months remaining in the annual fundraising campaign, we're on track for another record-breaking year," said WHA President and CEO Eric Borgerding. "We can make an even greater impact, though, with everyone's participation. If you haven't done so yet, there is still time to make a personal contribution and join your peers in supporting candidates who value hospitals and health systems this election cycle," Borgerding continued.

While the Wisconsin Hospitals State PAC & Conduit annual campaign runs through December 31, 2022, to make an impact in the 2022 election cycle, individuals are encouraged to make their contribution in the next six weeks, ahead of the Nov. 8 elections. Individuals can make a one-time contribution or set up a recurring contribution to spread out their commitment through the year. To ensure your name is on the next list, individuals can make a personal contribution online at [www.whconduit.com](http://www.whconduit.com) or by contacting WHA's [Kari Hofer](#) at 608-268-1816 or [Nora Statsick](#) at 608-239-4535.
