

ED2Recovery+ Program Funding Opportunity – Available Now

The Department of Family Medicine and Community Health/Wisconsin Voices for Recovery has issued its 2023 Request for Proposal (RFP) for the ED2Recovery+ Program. For an overview of the ED2Recovery+ Program, watch the [ED2Recovery+ Informational Webinar Recording](#), which describes:

- What is peer support
- The logistics of participation in the Recovery ED2 Recovery+ Program
- The impact and benefits of peer support – a peer recovery coach’s journey from addict, to recovery, to peer recovery coach
- A hospital’s experience with ED2Recovery – Bellin Health
- ED2Recovery Funding Opportunities – June 2023

Funds support provision of peer support services within and outside of emergency department settings which can be used by employee recovery coaches and/or Wisconsin certified peer support specialists to provide support to individuals with an opioid or stimulant use disorder referred from emergency departments, first responders, the legal system and other community settings.

More details can be found in the [RFP for Recovery ED2 Recovery+ Program](#).
