Mental Health & Addiction Physician Resources

WHA Quality Center has many resources available for opioid and substance use misuse management, found on the [Mental Health & Addiction space](#).

Resources include:

- [Substance Use Clinical Support Lunch and Learn Series](#)
- [Substance Use Disorders Management Boot Camp](#)
- [Monthly Office Hours](#) - **Every third Tuesday of the month from 12 - 1 p.m.** Provided by Dr. Randy Brown, UW-Madison, who specializes in the treatment and prevention of substance use disorders. Dr. Brown will be available to provide clinical support on questions such as managing patients with at-risk alcohol use and use disorder, prescription-controlled substance issues, Opioid Use/Substance Use management, and more. Questions can be on broader management topics or specific to a patient in your care. Click [Monthly Office Hours](#) for more information or join by Zoom meeting: <https://uwmadison.zoom.us/j/97393324216?pwd=cUNMRk9XdnlKWlhUVnU0bGxPaVA4Zz09> Or by phone at 608-263-6558.
