

Deadline Approaching to Apply for WHA Foundation 2023 Clinical Simulation Lab Scholarship

The WHA Foundation is once again offering scholarships to Wisconsin member hospitals, allowing them to designate an interdisciplinary team to participate in clinical simulation training focused on stroke, sepsis/septic shock, opioid crisis or high-risk OB delivery. The WHA Foundation has agreements with three clinical simulation labs, making them available to scholarship recipients for these training sessions.

Scholarship Application Deadline: Friday, April 21 at 5 p.m.

Click [here](#) to access the **Eligibility and Criteria Information, 2023 Lab Location Map**, and the **Scholarship Application**.

The WHA Foundation, Inc. was formed in 1968 to support educational, research and charitable programs of the Wisconsin Hospital Association and its members. Today, as a 501(c)(3) organization, the Foundation focuses its grant making priorities on initiatives that have a statewide impact on health care in Wisconsin. The Foundation's three specific funding priorities include:

- Health Care Workforce Development
- Health Care Quality and Safety Initiatives
- Collaborative Community Health Initiatives
