

CommYOUunity: Healthy Buildings + Healthy People

SR. HEALTHCARE DESIGN ARCHITECT

Jen Voigt
AIA, LEED AP

PRACTICE LEADER - SUSTAINABILITY

Dave Hubka
LEED FELLOW, WELL AP

LEARNING OBJECTIVES

Recognize how buildings can contribute to healthy people and healthy communities

Understand the attributes of healthy environments and how they engage the workforce

Discuss scalable strategies rural healthcare buildings and campuses can implement to support inclusive, integrated, and resilient communities

“

WE SHAPE OUR BUILDINGS AND
AFTERWARDS OUR BUILDINGS SHAPE US

Sir Winston Churchill

What?

SOCIAL HEALTH

- Equitable amenities
- Sense of connection
- Spaces to support different social needs

PSYCHOLOGICAL HEALTH

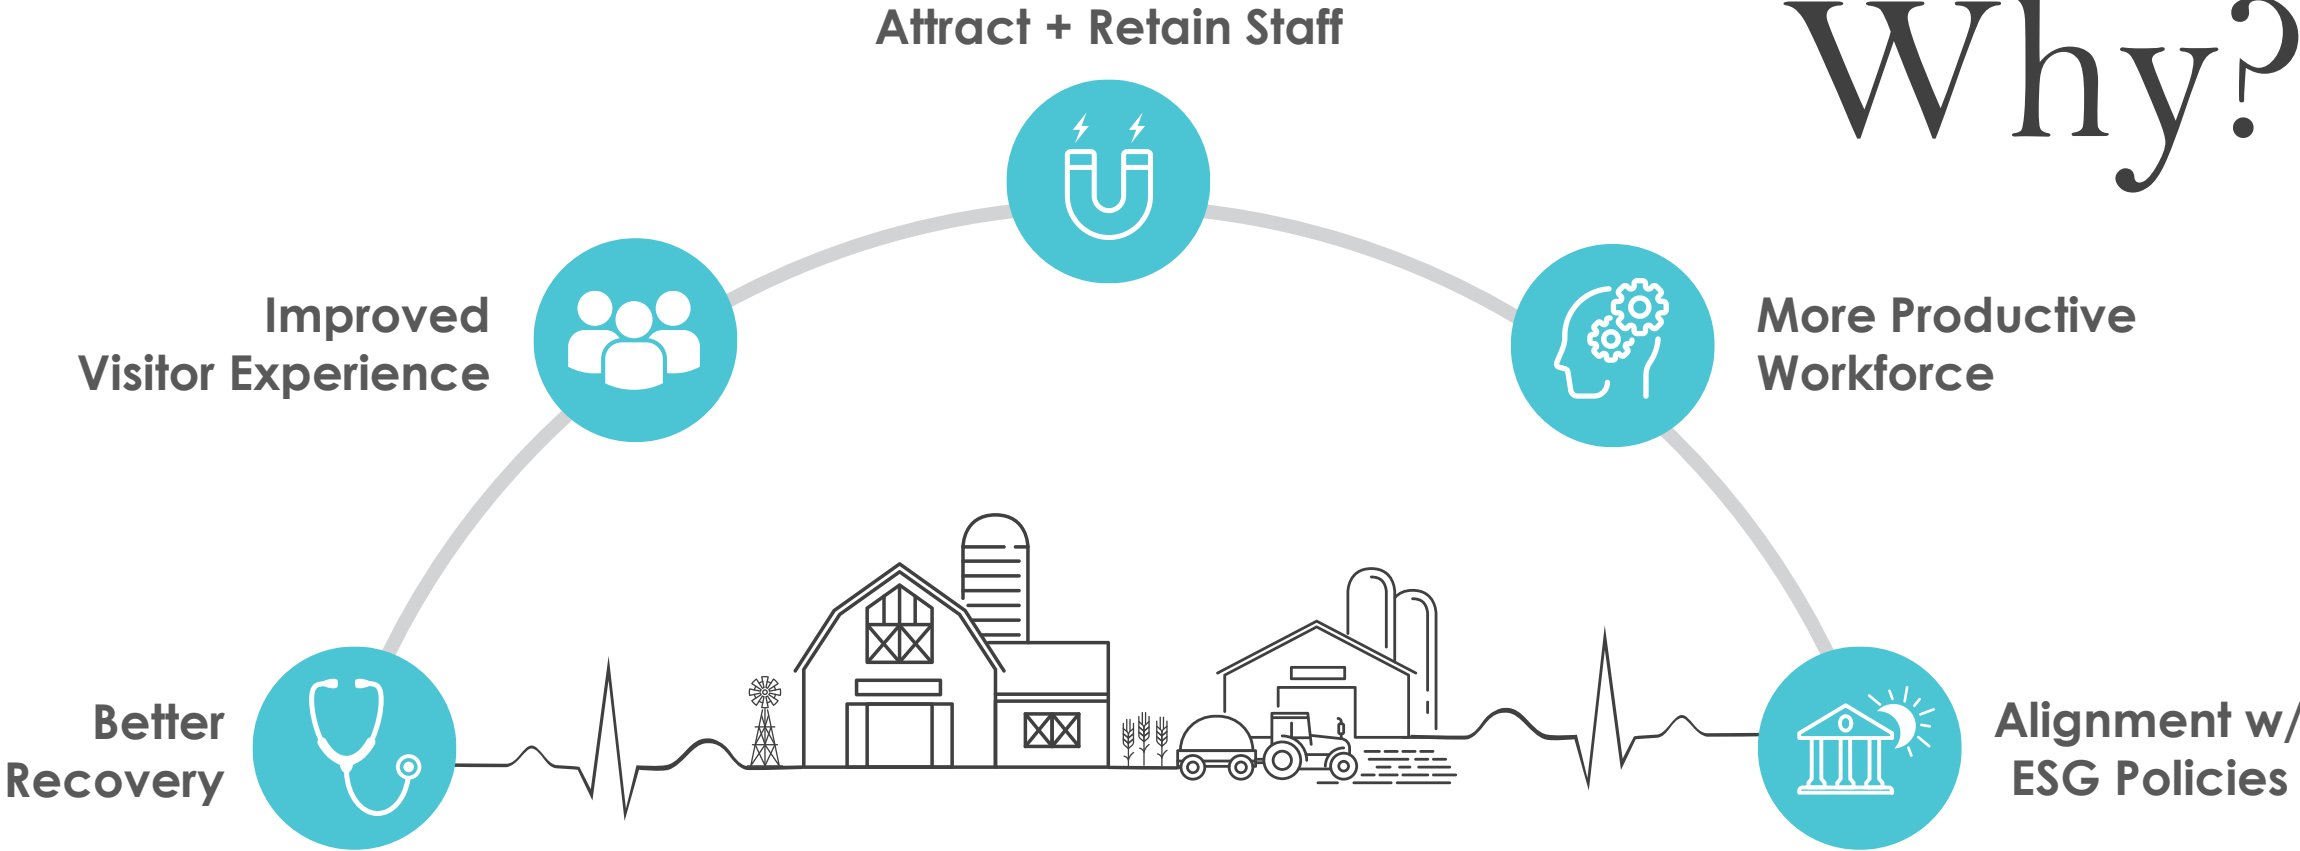

- Connection to nature
- Access to daylight
- Occupant controls
- Environments for respite, focus, and social connection
- Effective acoustic design

PHYSICAL HEALTH

- Ergonomic support
- Circadian effective light
- Comfort controls
- Enhanced ventilation
- Access to indoor and outdoor activity
- Healthy food and clean water
- Stair design to encourage regular use

Why?

Is there a
code that
requires
buildings
to be healthy

positive

A [^]CULTURE OF HEALTH

A working environment where employee health and wellness is valued, supported and promoted through programs, policies, benefits and design.

A culture of health integrates health and wellness into business operations and goals; and requires engagement across all levels of the organization.

Understand that physical, mental, and social health are intertwined.

The average hospital turned over 105% of its workforce in the past 5 years

2023 NSI National Health Care Retention & RN Staffing Report

Employees planning to leave an organization were 25% less satisfied with their physical workplace than those who planned to stay

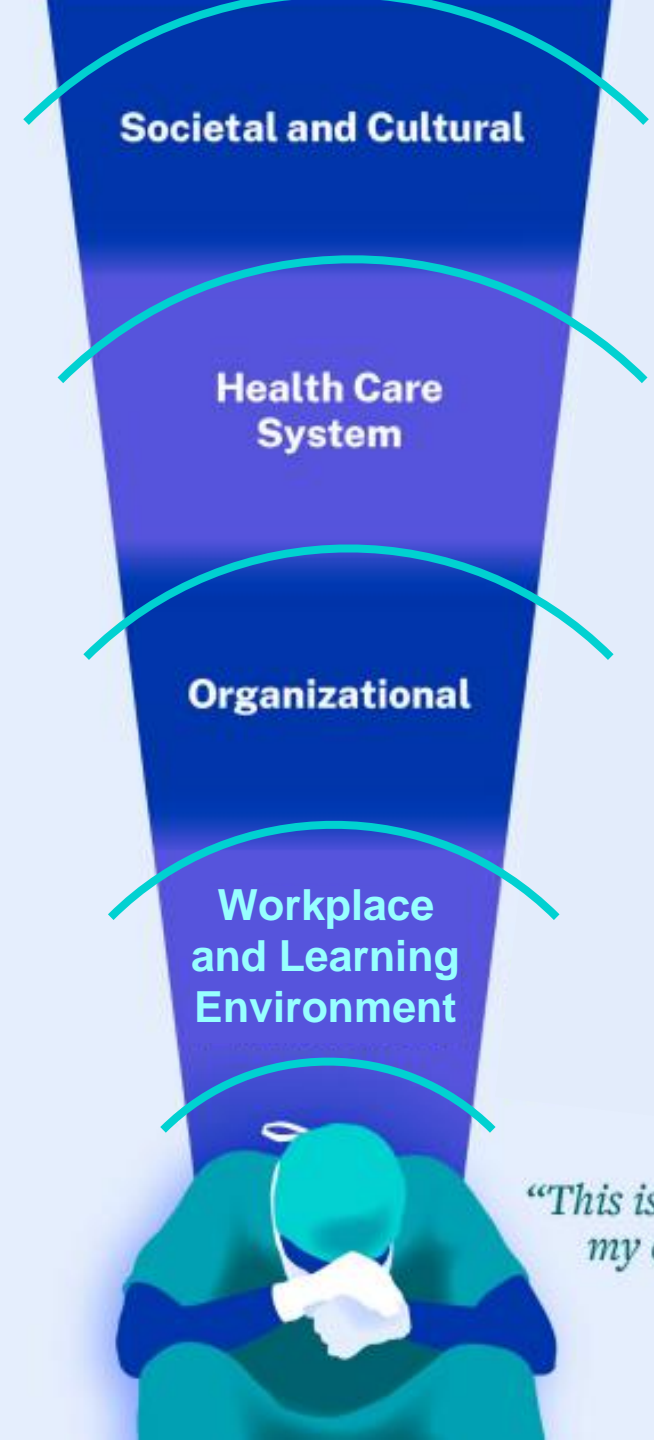

The Rocky Mountain Institute

Factors associated with burnout among health workers.

Office of the
U.S. Surgeon General

“This is beyond my control...”

PRESENTEEISM

Improvements in health and well-being lead to significantly enhanced job satisfaction with a 2% reduction in the prevalence of sick leave

BUILDING PERFORMANCE
DRIVES
HUMAN PERFORMANCE
DRIVES
BUSINESS PERFORMANCE

78% of Millennials see Workplace Quality as important when choosing an employer

CBRE Millennials: Myths and realities 2016

48% of Gen Zers + 44% of Millennials feel stressed all or most of the time

2021 Deloitte Global

The average cost for turnover of a bedside RN was \$52,350 in 2022

2023 NSI National Health Care Retention + RN Staffing Report

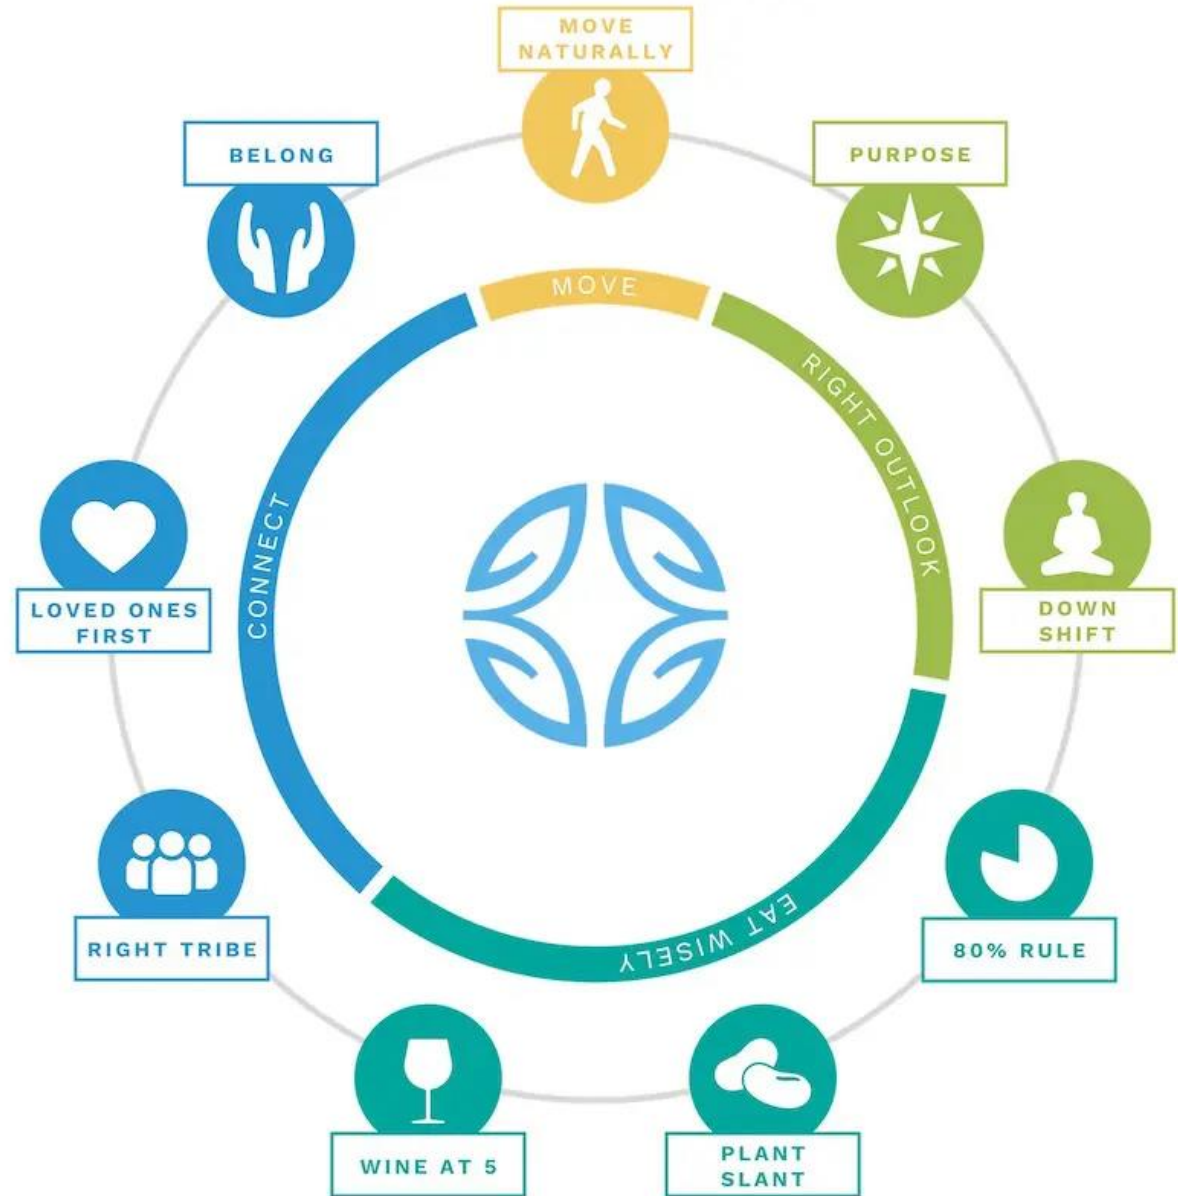

In 2022 the average hospital lost between \$6.6M - \$10.5M due to RN turnover

2023 NSI National Health Care Retention + RN Staffing Report
