PROGRAM DESCRIPTION

Eligible military medical personnel (MMP) may temporarily perform certain skilled health services that otherwise would require a license while supervised in an administering facility without first obtaining one of the following licenses from the Wisconsin Department of Safety and Professional Services (DSPS) under applicable corresponding statutes. (Refer to Wis. Stat. § [440.077\(2\)\(a\)](#).)

Registered Nurse (Wis. Stat. § [441.06](#))

Licensed Practical Nurse (Wis. Stat. § [441.10](#))

Physician, Perfusionist, Anesthesiologist Assistant, or Respiratory Care Practitioner (Wis. Stat. § [448.04](#))

Podiatrist (Wis. Stat. § [448.61](#))

Physician Assistant (Wis. Stat. § [448.974](#))

PROGRAM DEFINITIONS

Adequate Supervision - The licensed supervising practitioner is competent and authorized under his or her applicable license or certification to perform the delegated clinical act, and must have reasonable evidence that the supervised individual is minimally competent to perform the act under the circumstances.

Administering Facility - inpatient health care facility defined in Wis. Stat. § [50.135\(1\)](#), an outpatient health care location, a community-based residential facility defined in Wis. Stat. § [50.01\(1g\)](#), or a residential care apartment complex defined in Wis. Stat. § [50.01\(6d\)](#), that is a party to the memorandum of understanding specified in Wis. Admin. Code § [Med 26.03\(1\)](#) and maintains a written policy governing MMP program participants specified in Wis. Admin. Code § [Med 26.03\(1\)\(g\)](#).

Basic Patient Care – care that can be performed following a defined procedure with minimal modification in which the responses of the patient to the care are predictable.

Basic Patient Situation - as determined by a licensed supervising practitioner means the following three conditions prevail at the same time in a given situation: (1) The patient's clinical condition is predictable; (2) Medical or nursing orders are not changing frequently and do not contain complex modifications; and (3) The patient's clinical condition requires only basic patient care.

Complex Patient Situation - as determined by a licensed supervising practitioner means any one or more of the following conditions exist in a given situation: (1) The patient's clinical condition is not predictable; (2) Medical or nursing orders are likely to involve frequent changes or complex modifications; or (3) The patient's clinical condition indicates care that is likely to require modification of procedures in which the responses of the patient to the care are not predictable.

Disease - any pain, injury, deformity, physical or mental illness, or departure from complete health or the proper condition of the human body or any of its parts.

Licensed Supervising Practitioner – (1) a physician, a physician assistant, or a podiatrist licensed under Wis. Stat. ch. [448](#); or (2) a registered nurse or certified advanced practice nurse prescriber authorized to issue prescription orders credentialed under Wis. Stat. ch. [441](#).

CONTINUED

PROGRAM DEFINITIONS CONTINUED

Military Medical Personnel (MMP) - means a person who served as an Army Medic, a Navy or Coast Guard Corpsman, or an Air Force Aerospace Medical Technician in the U.S. Armed Forces.

Military Medical Personnel Program Participant - military medical personnel (MMP) who meet all program requirements under Wis. Admin. Code § [Med 26.02\(9\)](#).

Skilled Health Services - Any of the following: (1) To examine into the fact, condition, or cause of human health or disease, or to treat, operate, prescribe, or advise for the same, by any means or instrumentality; (2) To apply principles or techniques of medical sciences in the diagnosis or prevention of any of the conditions in (1) or “Disease” above; (3) To penetrate, pierce, or sever the tissues of a human being; and (4) To offer, undertake, attempt, or hold oneself out in any manner as able to do any of the acts described in this paragraph. **Skilled health services do not include surgical procedures or issuing prescription orders.**

GENERAL PROGRAM REQUIREMENTS

- (1) **MOU** - Before performing any services under the program MMP must complete and sign this memorandum of understanding ([Form 7158](#)) and submit it to the employer. The services to be provided must reflect the MMP’s level of training and experience.
 - Section 1 – MMP
 - Section 2 – Supervisor(s) (All supervisors must be listed.)
 - Section 3 – Facility
 - Military Medical Personnel Licensure Timeline (Form 7159) (Link below.)
- (2) An MMP program participant must be supervised by a licensed supervising practitioner who will retain responsibility for the care of the patient.
- (3) **Timeline** – An MMP must establish a reasonable timeline with the employer in this MOU that describes the actions the MMP will take to acquire a license from DSPS. [Form 7159](#), **Military Medical Personnel Licensure Timeline**, **must be submitted to DSPS.** (See form for details.)

IMPORTANT NOTE: An MMP Program Participant becomes ineligible to participate in the program beginning on the day after the date that the MMP agreed to acquire a license in the Military Medical Personnel Licensure Timeline ([Form 7159](#)).

The Medical Examining Board may extend the termination date of a signed memorandum of understanding if it appears that, because of unforeseen circumstances, the applicant requires more time to receive a license. Submit narrative request to Wisconsin Department of Safety and Professional Services, Attn: Medical Examining Board, P.O. Box 8935, Madison, WI 53708-8935 or dsps@wisconsin.gov.

SECTION 2 – SUPERVISOR(S)

Basic Patient Situations - Subject to the limitation in [Wis. Stat. § 440.077\(2\)\(b\)](#) and except as provided in [§ 440.077\(5\)](#), the scope in which an MMP Program Participant may practice is limited to the performance of acts in basic patient situations under the general supervision of a licensed supervising practitioner, which includes the following: (See Pages 1 and 2 for definitions.)

Basic Patient Situations Service/Procedure

Accept only patient care assignments which the MMP Program Participant is competent to perform.

Provide basic patient care.

Record patient care given and report changes in the condition of a patient to the appropriate person.

Consult with a provider in cases where the MMP Program Participant knows or should know a delegated act may harm a patient.

Perform the following other acts when applicable:

- Assist with the collection of data.
- Assist with the development and revision of a patient care plan.
- Reinforce the teaching provided by a licensed provider and provide basic health care instruction.
- Participate with other health team members in meeting basic patient needs.

Complex Patient Situations, as determined by a licensed supervising practitioner, means any one or more of the following conditions exist in a given situation:

- 1) The patient's clinical condition is not predictable;
- 2) Medical or nursing orders are likely to involve frequent changes or complex modifications; or,
- 3) The patient's clinical condition indicates care that is likely to require modification of procedures in which the responses of the patient to the care are not predictable.

Acts delegated to an MMP Program Participant beyond basic patient care shall be performed under the **direct** supervision of a licensed supervising provider. The licensed supervising practitioner must be competent and authorized under his or her applicable license or certification to perform the delegated clinical act and must have reasonable evidence that the supervised individual is minimally competent to perform the act under the circumstances. (Note: An MMP Program Participant must provide documentation of competence (i.e., education, training, or experience, etc.) to the Medical Examining Board if requested.)

Complex Patient Situations Service/Procedure

Licensed practicing supervisors may list any complex care activities they have agreed to directly supervise below. (Attach additional sheets if needed.)

Supervisor(s) Responsibilities

2.	Do you acknowledge that the licensed supervising practitioner may rely on the MMP representations made specifying training and experience in the MOU as reasonable evidence of the individual’s clinical training, experience, and competency to perform the delegated act?	<input type="checkbox"/> Yes <input type="checkbox"/> No
3.	Do you attest that you have read and understand the definitions of basic and complex care defined in this MOU and that general and direct supervision will be provided accordingly? If NO, program requirements are not met.	<input type="checkbox"/> Yes <input type="checkbox"/> No
4.	Do you acknowledge that the licensed supervising physician, physician assistant, podiatrist, registered professional nurse, or advanced practice nurse prescriber must retain responsibility for the care of the patient? If NO, program requirements are not met.	<input type="checkbox"/> Yes <input type="checkbox"/> No
5.	Do you acknowledge awareness that an MMP Program Participant becomes ineligible to participate in the program beginning on the day after the date that the MMP agreed to acquire a license in submitted Timeline Form (Form 7159) and that the MMP may submit a request for an extension to the Medical Examining Board?	<input type="checkbox"/> Yes <input type="checkbox"/> No
