

Register for Substance Use Disorders Management Boot Camp

October 12 & 13, 2023

This training aims to enhance confidence and competencies related to the management of substance use disorders in general medical settings. Through case-based and interactive didactic content, the workshop will explore issues related to assessment, monitoring, prevention, and management of issues that commonly occur with substance use (for example: addiction, infectious disease and mental health issues).

- Cost: Free
- Accredited for 8.25 AMA, ANCC, and AAPA Wisconsin Responsible Opioid Prescribing credit.
