

Four Weeks Until Advocacy Day – Is Your Hospital or Health System Represented?

Advocacy Day is right around the corner with only four weeks until nearly 1,000 grassroots advocates gather in Madison for a day of learning and advocating on important health care issues facing our state.

This year's event will be held at the Monona Terrace in Madison on Wednesday, March 20, 2024, and will feature keynote speaker Rick Pollack, president and CEO of the American Hospital Association. Additionally, WHA will have an outstanding bipartisan legislative panel with lawmakers who will share their insights on health care issues and the policymaking process.

There is no cost to attend Advocacy Day, but pre-registration is required. [Register here.](#)
