

Expert Clinical Guidance for Challenging Addiction Cases

If you treat individuals struggling with opioid, stimulant, alcohol, or other drug addictions and have a complex case that could benefit from expert clinical support, the Substance Use Clinical Support Office Hours are here for you. If you're looking to expand your network of colleagues and seek guidance on treatment options for challenging cases, these opportunities are available to you.

Every third Tuesday of the month, [join the Zoom Meeting](#) anytime between noon and 1 p.m. CST to connect with [Randall Brown, MD, PhD, DFASAM](#). He will be available to discuss your cases and provide expert advice.
