WHA is now accepting nominations for its annual Distinguished Service Award and Trustee Award. These important awards recognize those who display leadership, dedication and professionalism to their community or the Association.

You now have an opportunity to nominate someone in your region, your hospital, or on your Board of Directors who deserves such an honor.

Administrators, trustees, senior managers, nurse leaders, volunteers and others are encouraged to nominate someone to receive one of these honors. Information and award criteria can be found on the WHA [website](#). For more information, please contact WHA Executive Assistant [Kim Drone](#).
