2025 Global Vision Community Partnership Award – Nominations are Open

The WHA Foundation is proud to once again offer the opportunity for WHA member hospitals to apply for the annual Global Vision Community Partnership Award.

Application Deadline: Friday, August 15, 2025

The Global Vision Community Partnership Award was established in 1993 by the Wisconsin Hospital Association (WHA) Foundation. The Award's goal is to provide recognition, financial support and public awareness of a community health initiative or project, created in partnership with a WHA member, that successfully addresses a documented community health need. Partnerships must reach across the community or population served and the program must be an active ongoing enterprise at the time of the nomination.

In addition to a plaque of recognition, the two winners also receive an unrestricted grant of \$2,500 each to continue to fulfill their work and mission.

To access this year's program description and nomination form flyer, [click here](#).

Thank you to Derek, Aindrea and Gail for volunteering to be on the selection committee this year.
