

WHA 2023 Nominating and Awards Committee Seeking Nominations

Nominations are now being accepted for WHA's annual Distinguished Service Award and Trustee Award. These important awards recognize those who display leadership, dedication and professionalism to their community or the Association.

You may know someone in your region, in your hospital or on your Board of Directors who deserves such an honor. You now have an opportunity to nominate them for one of these annual awards:

- **[Distinguished Service Award](#)** is presented to a senior health care executive who has made an exemplary commitment to WHA, his/her hospital, and the communities he/she serves.
- **[Trustee Award](#)** honors a trustee of a WHA member organization who has made an exemplary commitment to his/her community and to the organization on whose board he/she serves.

Administrators, trustees, senior managers, nurse leaders, volunteers and others are encouraged to review the criteria for the awards and consider nominating someone to receive one of these honors. Information on these two awards can be found on the WHA [website](#). For more information, please contact WHA Executive Assistant [Kim Drone](#).
