Participating in the political process is important to protect high-quality, high-value health care. The Wisconsin Hospitals State PAC and Conduit supports candidates who understand the important role Wisconsin hospitals and health systems play in the communities they serve, both as leaders in care delivery and as essential employers.

The fundraising campaign runs through the 2023 calendar year. Personal contributions can be submitted at any time online at www.whconduit.com or through WHA Vice President of External Affairs Kari Hofer, who can be reached at 608-268-1816.
