## WHA Publishes Photo Recap of Wisconsin Rural Health Conference

Positive reviews continue to come in for WHA's first in-person Wisconsin Rural Health Conference in three years, which was held June 15-17 in Green Bay. An online album of photos from the event available for viewing and download can be accessed [here](#).

WHA again thanks everyone who made this event possible, especially sponsors and exhibitors. Their continued support demonstrates a commitment to Wisconsin hospitals and the communities that they serve.
