

## Quality Improvement Poster Showcase in the Capitol Rotunda on April 18

Come celebrate the improvements made at over 20 Wisconsin Hospitals

For the first time as part of WHA's Advocacy Day, hospitals will have the opportunity to showcase some of their successes. This is your chance to view highlights of hospital improvement efforts and interact with some of the staff responsible for improving patient care. See how hospitals are improving quality, patient safety, access, creating value and decreasing costs. We welcome legislators, hospital staff and leadership, the general public and anyone interested in seeing the great work and dedication our hospitals have for taking care of their patients.

**When:** Tuesday, April 18 from 1-4 p.m.

**Where:** Capitol Rotunda, Madison
