

WHA 2024 Nominating and Awards Committee Seeking Nominations

WHA is now accepting nominations for its annual Distinguished Service Award and Trustee Award. These important awards recognize those who display leadership, dedication and professionalism to their community or the association.

You now have an opportunity to nominate someone in your region, your hospital, or on your Board of Directors who deserves such an honor.

- [Distinguished Service Award](#) is presented to a senior health care executive who has made an exemplary commitment to WHA, his/her hospital, and the communities he/she serves.
- [Trustee Award](#) honors a trustee of a WHA member organization who has made an exemplary commitment to his/her community and to the organization on whose board he/she serves.

Administrators, trustees, senior managers, nurse leaders, volunteers and others are encouraged to nominate someone to receive one of these honors. Information and award criteria can be found on the WHA [website](#). For more information, please contact WHA Executive Assistant [Kim Drone](#).

The Nominating Committee will also make recommendations on new WHA Board members. WHA members interested in being considered for, or wish to submit a candidate for an At-Large WHA Board seat, Chair-Elect or AHA Delegate position should contact either WHA President [Eric Borgerding](#) or WHA Nominating Committee Chair [John Russell](#).

Please submit nominations for both the awards and WHA Board of Directors no later than Tuesday, Sept. 3.
