Registration Open for 2022 Wisconsin Rural Health Conference

The 2022 WHA Wisconsin Rural Health Conference will be held June 15-17, 2022, at the KI Convention Center in Green Bay. All conference information, including registration, can be found [here](#).

This annual conference is a statewide forum designed to spotlight public policy and operational issues affecting rural health care, while also highlighting how delivery of and access to rural health care are changing. The event will focus on ways in which data, technology and people processes are improving care and access for rural populations.

The deadline to register for the 2022 Wisconsin Rural Health Conference is June 1. For questions regarding this conference or any of WHA's educational events, email education@wha.org.
