

Wisconsin Hospitals State PAC and Conduit Fundraising Nears Halfway Mark

Contribute now to make future contributor lists

The Wisconsin Hospitals State PAC and Conduit has almost reached the halfway mark of its \$350,000 fundraising goal for 2023. To date, a total of \$170,273 has been contributed by 121 individuals.

See the full list of contributors below.

Supporting candidates through contributions to the Wisconsin Hospitals State PAC and Conduit is one element of the Wisconsin Hospital Association's integrated advocacy approach, which also includes directly lobbying elected officials and working to engage hospital constituents directly with their elected officials, such as HEAT Roundtables.

Participating in the political process is important **to protect high-quality, high-value health care**. The Wisconsin Hospitals State PAC & Conduit supports candidates who understand the important role Wisconsin hospitals and health systems have, both as leaders in care delivery and as essential employers within the communities they serve.
